There was an additional \$19,600.00 for design and construction for the project. Motion by Mark Osland, second by Carl Peter “Pete” Johnson to accepted the increased fees for the River / Mill Street project. Motion carried.

**Ferry Road – No Parking Signs:** Kris Backlund is requesting No Parking from top of hill to the parking lot. Ideally all the way up to the cemetery. Once an ordinance is adopted, Sunrise will share with the Chisago County Sheriff’s Office for enforcement. It is the intention of the Sunrise Town Board to post signs just past cemetery into the park – no parking either side of road. Supervisor Eric Leivian will work on the No Parking Ordinance. Place on March agenda.

**Key Numbers:** Clerk Kowalke is completing an inventory on Sunrise Township Keys.

**Supervisor Transparency – Determination of Residence:** A Sunrise Township Board Supervisors home was destroyed due to fire: Provided is an excerpt from Minnesota State Statute Section 200.031, subd. 13: “If an individual’s home is destroyed or rendered uninhabitable by fire or natural disaster, the individual does not lose residence in the precinct where the home is located if the individual intends to return to the home when it is reconstructed or made habitable.”

**Lead Maintenance:** Lead Maintenance Lynn Wolleat is planning on retiring June 1, 2022. Sunrise Township Board of Supervisor Jeske Noordergraaf will put together an advertisement together to be placed in several areas to include papers, Sunrise Township Facebook page, Sunrise Township’s web-site along with MN Association of Townships advertisement, Indian head, peach/Scotsman to name a few. . Eric Leivian to contact Sunrise Township attorney have final job description finished up and returned to Sunrise Township.

**Town Hall Doors:** Sunrise Township Hall doors are fixed.

**Citizen Forum:** Clair Dickson was present to discuss 475<sup>th</sup> Street. This was discussed under 475<sup>th</sup> and James agenda items.

**New Town Hall Building Update:** Dan Kaiser checked with a few post and frame vendors. Waiting for a plan. Carl Peter “Pete” Johnson talked with Wayne Houle. Dan Kaiser suggests to put together a task force. Eric Leivian informed the Town Board that Ted Krause and Tyler Richter from the Sunrise Township Planning Commission are willing to be on the new town hall building task force. A commercial kitchen is very expensive to install because of all the regulations. Dan Kaiser talked with Sherry Stirling said that a big concern is a sprinkler system. Dan Kaiser will talk with Chisago County Environmental Services to check on zoning regulations.

**475<sup>th</sup> and James:** Brent Johnson, Bolton and Menk Engineering (works with water). Mr. Johnson mentioned that Sunrise Township needs to bear in mind wetland permitting

**Problem is:** the road overtops at the intersection of 475<sup>th</sup> and James and in heavy rains every 4 to 5 years or when heavy snow melts. Having good roads is important for safety. Overtopping is important.

**Township Goals:** A good goal is to reduce the risk of overtopping which reduces the saturation of roads. Low cost is an issue. Sunrise Township has to be concerned about wetlands (not to be draining or filling them)

**Drainage areas:** There are a couple drainages that come to the intersection. 475<sup>th</sup> goes east and west and James goes north and south. There is a creek channel that follows along on James to the south and goes south. This creek does not have a name. This is a year-round creek. West of James and north of 475<sup>th</sup> Street.

**Alternatives:** Culverts through James Avenue and driveways to allow water to flow east. Cleaning road ditch on the north side – come up with a plan to help water flow through. A culvert could be installed crossing 475<sup>th</sup> – it could push 1 inch of water per day. There are private ditches leading to Goose Creek. Can the Sunrise Township enter into a cooperative agreement?

Water needs to flow east along James.

West of James Avenue needs to be built up and put a culvert in to force the water to go east.

If the Township gets water flowing both ways, it would that alleviate the problem.

Clair Dickson will have to check with Chisago County on his Rural Preserve Property Tax Program.

**Recommendation:** Motion by Carl Peter “Pete” Johnson, second by Mark Osland to have Bolton and Menk do surveying to get elevation of the culverts and get cost estimates to get water to flow east from the intersection. Motion carried. Place on March meeting.

**New American Relief Fund Resolution:** Place on March agenda.

**Job Description:** Maintenance job description complete, but waiting to get it back from attorney.

**River Road / Mill Street:** Engineer: Cristina Mlejnek said staff still working on design. Engineer Mlejnek doesn't anticipate needing a variance. Engineer Mlejnek will put together a no on-street parking "resolution for the March 2022 agenda.

**938M Cat Wheel Loader:** Eric Leivian and Lynn Wolleat met with BJ from Ziegler. In conversations it might be in the best interest for Sunrise Township to reuse the snow equipment and all that would be needed would be a wing post. Sunrise would save \$50,000. Sunrise does not need a scale which saves \$9,000.00. Add rust coating for \$5,000. This would save the Township approximately \$54,000.00. There is another Township interested in purchasing the current 938M Cat Wheel Loader. Mark will talk with interested party. Eric Leivian to get estimate for rust proofing loader.

**Internet:** Jeske Noordergraaf reached out to Nancy Hoffman from HRA / EDA. Nancy Hoffman has been trying to get a hold of Windstream, but they are not good at getting back. Midco just did Chisago Lakes Township. Frontier says they are going to provide fiber to the home. Home Town Fiber is working with Chisago County and should have their report completed by the end of February, 2022.

**Ferry Road / Snowmobiles:** Jeske Noordergraaf talked with Peggy Pearson and took a drive to see where the people are snowmobiling. Jeske Noordergraaf didn't see tracks on the roads. Mark Osland spoke to Chisago County Sheriff and he was going to send staff to check on it. Peggy Pearson said there are snowmobiles running on both sides of the road. Plan is to look at the road when the snow is gone and Sunrise Township Supervisors complete a road tour.

**Maintenance update:** Nothing
